

The Kingsbridge Alternative Strategies Fund, LP is a historically low-volatility strategy that is tangential to mortgages and private credit. The Fund invests in a portfolio of Home Equity Investments (HEIs) and the equity certificates of securitized pools of Home Equity Investments.

Home Equity Investments are in-the-money option purchase agreements entered at a discount to the underlying home's appraised value, secured by a lien.

Fund Highlights

- ✓ Historically low correlation to public markets & positive correlation to inflation, capital gain/loss tax treatment
- ✓ Track record: 3+ years of net double-digit returns to investors on a diversified portfolio in over 100 housing markets nationwide
- ✓ Proven secondary market through securitization with broadening institutional acceptance of the asset class
- ✓ Kingsbridge believes that HEIs represent an attractive growth opportunity with a large investable market
- ✓ Kingsbridge is a leading institutional investor in the HEI space, with a multi-year track record and proprietary portfolio analytics and technology
- ✓ Series C: new limited partner series open for investment on 02/01/2023

- 2022 and 2023 figures are unaudited at this time. Past performance of the fund is not indicative of future results.
- The Series C returns shown above through January 2023 are calculated hypothetically for Series C using the actual gross rate of return for Series B. Management fee is assumed at 2% per annum calculated on beginning of quarter basis. Incentive fee is calculated at 20% on a monthly basis on net performance and the same is crystallized annually.
- CPI for All Urban Consumers (CPI-U), Bureau of Labor Statistics. <https://data.bls.gov/timeseries/CUUR000SA0>
- By contributing Home Equity Investments to the Point Securitization Trust 2021-1 and owning the securitization's Equity Certificates, the Fund utilized a form of structural, non-recourse leverage.

This presentation and the information contained herein is being furnished by Kingsbridge Wealth Management, Inc. (the "Adviser") to the recipient on a confidential basis and does not constitute an offer, solicitation or recommendation to purchase any security, including but not limited to interests in the Kingsbridge Alternative Strategies Fund, LP (the "Fund"). Any such offer may only be made by means of the fund's Private Placement Memorandum.

The Fund's investment strategy changed in 2019. Results shown for 2022 and 2023 are not yet audited. Performance data presented for a Series B limited partner as if that investor invested in the Fund at Series B inception of August 1, 2019. Actual results will vary depending on timing of investments and reinvestment of distributions. The Fund strategy described or contemplated herein is subject to a variety of risks and there can be no assurance that investment objectives will be achieved or that the Adviser will be able to implement the investment strategy described herein. The Fund strategy described or contemplated herein is not "conservative", "safe" or "risk-free". Loss of principal may occur. Please read the "Risk Factors" in the Fund's Private Placement Memorandum for a discussion of the risks. This presentation is not intended to provide and should not be relied on for investment, legal or tax advice. You should consult your own tax, legal, accounting, financial or other advisors about the issues discussed herein, including the suitability of an investment in the Fund based on your specific risk profile and financial requirements.
